CONSTITUTION

ARTICLE I-NAME AND OBJECT

- 1. The name of this Association shall be the American Association of University Professors.
- 2. Its objects shall be to facilitate a more effective cooperation among teachers and investigators in universities and colleges, and in professional schools of similar grade, for the promotion of the interests of higher education and research, and in general to increase the usefulness and advance the standards and ideals of the profession.

ARTICLE II-MEMBERSHIP

- 1. There shall be four classes of members: Active, Associate, Honorary, and Junior.
- 2. Active Members. Any university or college teacher or investigator who holds, and for three years has held, a position of teaching or research in a university or college (not including independent junior colleges) in the United States or Canada, or in a professional school of similar grade, may be nominated for membership in the Association.
- 3. Associate members shall include those members who, ceasing to be eligible for active membership, are transferred with the approval of the Council to associate membership.
- 4. Any associate member, or member eligible for transfer to associate membership, may be elected by the Council to honorary membership by reason of distinguished achievements in teaching or research.
- 5. Junior members shall be graduate students or persons eligible for nomination as active members except in length of service.
- 6. Associate, honorary, and junior members shall have the right of attendance at the annual meetings of the Association without the right to vote or hold office.

ARTICLE III-OFFICERS

1. The Officers of this Association shall be a President, two Vice-Presidents, a General Secretary, an Executive Secretary, a Treasurer, and thirty elective members of the Council, together with members of the Council ex officio as provided in Section 4. The term of

office of the President, the Vice-Presidents, and the General Secretary shall be two years, subject to the provision of Section 3 of this Article.

2. The term of office of members of the Council shall be three years, ten members retiring annually.

- 3. The President, the Vice-Presidents, the General Secretary, and the elective members of the Council shall be elected by a majority vote of members present and voting at the annual meeting. The Executive Secretary and the Treasurer shall be elected by the Council. Whenever a vacancy occurs in any office, because of the death, resignation, or disability of the officer concerned, the Council shall have power to fill the vacancy, but the person so chosen shall hold office only until the next annual meeting. Whenever the annual meeting fails to elect a successor to an officer whose term is about to expire, such officer shall continue to hold office until a successor is elected at the next annual meeting, provided, however, that the Council shall have power in its discretion to elect a successor to such retiring officer, but the person so elected shall hold office only until the next annual meeting.
- 4. Ex-presidents of the Association shall be members of the Council *ex officio* for the five years next succeeding their terms of office.
- 5. The President, Vice-Presidents, and members of the Council shall not be immediately eligible for re-election upon the expiration of their terms, but this shall not be applicable to persons appointed by the Council under the provision of Section 3 of this Article.
- 6. The Executive Secretary shall be the general executive officer of the Association. He will be responsible for the management of its work under the general direction of the Officers and the Council.

ARTICLE IV-ELECTION OF MEMBERS

- 1. There shall be a Committee on Admissions, the number and mode of appointment of which shall be determined by the Council.
- 2. Nominations for active and junior membership may be made to the General Secretary of the Association by any three members of the Association.
- 3. It shall be the duty of the General Secretary to publish every nomination in the next following issue of the *Bulletin* of the Association, and to transmit it to the Committee on Admissions.
- 4. All persons receiving the affirmative vote of two-thirds of the members of the Committee on Admissions shall become members of the Association upon payment of the annual dues. No nomination

shall be voted on, however, within thirty days after its publication in the *Bulletin*.

5. On fulfilling the requirements of Article II, a junior member may, on recommendation of the Committee on Admissions, be transferred to active membership.

ARTICLE V-THE COUNCIL

- 1. The President, Vice-Presidents, General Secretary, and Treasurer shall be members of the Council ex officio and the President shall act as its chairman.
- 2. The Council shall make all arrangements for the annual meeting, sending a copy of the program at least one month in advance to every member of the Association.
- 3. The Council shall present a written report to the Association at the annual meeting, sending a copy at least one month in advance to every member of the Association.
- 4. The Council may appoint committees to investigate and report upon subjects germane to the purposes of the Association.

ARTICLE VI-By-LAWS

By-Laws may be adopted at any annual meeting of the Association.

ARTICLE VII-DUES, TERMINATION OF MEMBERSHIP

- 1. Each active, associate, or junior member shall pay three dollars to the Treasurer as annual dues, and no member who is in default shall be qualified to exercise any privileges of membership.
 - Honorary members shall pay no dues.
- 3. Non-payment of dues by an active, associate, or junior member for two years shall terminate membership, but in such a case a member may be reinstated by the Council on payment of arrears.
- 4. For proper cause a member may be suspended, or his membership may be terminated, by a two-thirds vote of the Council at any regular or special meeting; but such member shall be notified of the proposed action, with the reasons therefor, at least four weeks in advance of the meeting and shall be given a hearing if he so requests.

ARTICLE VIII-PERIODICAL

The periodical shall be under the editorial charge of a committee appointed by the Council; copies of it shall be sent to all members.

ARTICLE IX-AMENDMENTS

- 1. The Constitution may be amended by a two-thirds vote of those present and voting at any annual meeting; provided that written notice of any proposed amendment shall be sent to the Secretary by five members of the Association not later than two months before the annual meeting.
- 2. It shall be the duty of the General Secretary to send a copy of all amendments thus proposed to the members of the Association at least one month before the annual meeting.

ARTICLE X-ANNUAL MEETING

The Association shall meet annually at such time and place as the Council may select. The members of the Association in each institution may elect one or more delegates to the annual meeting. At the annual meeting questions shall ordinarily be determined by majority vote of the delegates present and voting, but on request of one-third of the delegates present a proportional vote shall be taken. When a proportional vote is taken the delegates from each institution shall be entitled to one vote and, in case of an institution with more than fifteen members of the Association, to one vote for every ten members or majority fraction thereof. The votes to which the delegates from each institution are entitled shall be equally divided among its delegates present and voting.

ARTICLE XI-CHAPTERS

Whenever the active members in a given institution number seven or more, they shall constitute a Chapter of the Association. Each Chapter shall elect annually a President, a Secretary, and a Treasurer, and such other officers as the Chapter may determine. It shall be the duty of the Secretary of the Chapter to report to the General Secretary of the Association the names of the officers of the Chapter. In case of failure of any Chapter to elect the officers above provided for, the President, General Secretary, and Treasurer of the Association shall have power to appoint, from among the members of the Association connected with the institution concerned, officers for the Chapter in question.

BY-LAWS

1. Nomination for Office.—At each annual meeting the President shall appoint a committee of five, not members of the Council or other officers of the Association, to present nominations for the offices to be filled at the next annual meeting. These nominations shall be mailed by the Secretary to all members of the Association not later than one month before the meeting at which they are to be voted upon; and blanks shall be provided upon which additional nominations may be made. At the annual meeting, the nominations of the committee and any other nominations proposed in writing by ten or more members of the Association shall be voted upon by ballot by those present at the annual meeting. No proxies shall be allowed.

2. Council Meetings.—A special meeting of the Council shall be called by the President on the written request of at least eight members of the Council and notice of such meeting shall be mailed to every

member two weeks in advance.

3. Fiscal Year.—The fiscal year of the Association shall extend from January 1st to December 31st of each year, inclusive.

- 4. Chapters.—The Council may allow the establishment in an institution of more than one chapter if such action is deemed necessary on account of the geographical separation of different parts of the institution.
- 5. A chapter may invite to its meetings any person it desires who is not eligible for membership, such as administrative officers and persons who have taught less than three years, those whose work cannot be classified as teaching or research, or members of the Association who are not members of the chapter. It may establish annual dues of one dollar or less. If it seems desirable the chapter may meet with other local organizations.
- 6. Chapters should not as such make recommendations to administrative officers of their institutions on matters of individual appointment, promotion, or dismissal. In local matters which would ordinarily come before the faculties for action, members of chapters should in general act in their individual capacity as members of faculties rather than in the name of the chapter.
